Domaine NOIR Frères

Trousseau 2023

Domaine Noir Frères Trousseau 2023 captures one of the Jura's most distinctive red grapes in a luminous, elegant style. Produced in the Côtes du Jura appellation, this wine comes from a family domaine in Poligny, where Noir Frères works with the region's classic varieties, including Chardonnay, Savagnin, Poulsard, Pinot Noir, and Trousseau. The domaine emphasizes parcel and varietal vinification, allowing each cuvée to express the authenticity of its terroir with finesse and aromatic complexity. Aged in oak barrels, this Trousseau brings together delicate red fruit, subtle spice, rounded tannins, and the quiet structure that has made the domaine's Trousseau wines a repeated gold-medal winner.

Notes: Bright and luminous in color, with rich yet delicate aromas of candied red berries, cherry, raspberry, and subtle spice. On the palate, it is round, elegant, and structured, with persistent tannins that are felt from the first sip without becoming hard or heavy. The finish brings a refined touch of white pepper, gentle oak influence, and lingering red fruit, giving the wine both charm and depth.

Serving Temperature: 57-61°F
Decant Time: 20–30 minutes
Cellar Time: Now through 2030
